

Project Velo Racing

2006-2007 Athlete Benefit Policy

Development Athletes

- Shall be entitled to the use of organization owned equipment
- Shall receive up to 100% reimbursement of uniform expenses
- Shall receive up to 100% reimbursement of race expenses, as pre-approved by the Board of Directors.
- Qualified Development Athletes shall have up to 100% of their expenses paid to attend USAC development camps
- Shall receive coaching and instruction provided at no cost to the athlete

Veteran Athletes

- Shall be entitled to the use of organization owned equipment
- Shall receive up to 100% reimbursement of uniform expenses
- Shall receive up to 100% reimbursement of approved race expenses

All benefits are subject to the following conditions:

Use of Equipment – Development Athletes shall receive priority regarding the use of organization owned equipment. Veteran athletes shall be entitled to use of equipment as available based upon seniority within the organization and/or decision of the Board.

Reimbursement of Expenses – Development Athletes shall receive priority regarding the reimbursement of expenses. Veteran athletes shall be entitled to a variable percentage reimbursement based on remaining available funds and decision of the Board.
